

2024-25 STUDY MBBS IN POLAND

ITCS Pvt, Ltd.

Medical University of Bialystok

Field of Study: Nursing, Medicine,
MBBS, Pharmacy, Premedical

Type of Degree: BSc, MBBS, MD,
MSc, Medicine, PhD, Foundation

Medical University of Gdansk

Field of Study:

Nursing, Medicine, MBBS, Pharmacy,
Premedical

Type of Degree:

BSc, MBBS, MD, MSc, Medicine, PhD,
Foundation

University of Gdansk

Field of Study:

European and International Business Law and
EU Administration, International Business,
International Business

Type of Degree:

BA, MA

Warsaw University of Technology

Field of Study:

Aerospace Engineering, Civil Engineering, Computer Science, Electronics and Computer Engineering, Electrical Engineering, Environmental Engineering, Photonics Engineering, Power Engineering, Aerospace Engineering, Architecture and Urban Planning, Biotechnology, Civil Engineering, Computer Science, Electronics and Computer Engineering, Electrical Engineering, Environmental Engineering, Global Production and Management Engineering, Management of Sustainable Enterprise, Photonics Engineering, Power Engineering, Robotics, EMBA – Executive MBA, IMBA – International MBA

Type of Degree:

BSc, MSc, MBA, PhD

Gdansk University of Technology

Field of Study:

Management (BiM), Environmental Protection and Management, International Management, Small Business Economics & Management, Strategy and Programme Management, Automatic Control and Robotics – Signal Processing, Civil Engineering, Control Engineering and Robotics – Decision Systems, Electronics and Telecommunications – Computer Electronic Systems, Electronics and Telecommunications – Radio Communication Systems and Networks, Environmental Engineering, Informatics – Distributed Applications and Internet Services, Mechanical Engineering – International Design Engineering, Ocean Engineering – Ship & Offshore Structures, Ocean Engineering – Marine & Offshore Energy, Architecture

Type of Degree:

BBA, BSc, MA, MSc, MBA

University of Wroclaw

Field of Study:

Political Science, International and European Law LLB, Biotechnology, European Cultures, Antiquity and Archaeology, Chemistry, English Philology, Economics and Sustainable Business, Classics and European Identity, Managerial Economics, Chemistry, International Relations-Global Studies, Political Science, European Studies, Journalism and Social Communication, Tourism, Administration in International Organizations, Sociology-Intercultural Mediation, Cultural Communication, English Philology, Image Communication (advertising, public relations, branding), Empirical and Theoretical Linguistics

Type of Degree:

BSc, MSc

Wrocław University of Technology

Field of Study:

Computer Science, Information and Communication Management, Mechanics and Machine Building, Organisational Management, Advanced Applied Electronics, Advanced Informatics and Control, Architecture, Automotive Engineering, Bioinformatics, Business Information Systems, Chemical Metallurgy, Civil Engineering, Computer Engineering, Control in Electrical Power Engineering, Electronics, Photonics and Microsystems, Environmental Quality Management, Information Technology, Intelligent Information Systems, Internet Engineering, Mathematics for Industry and Commerce, Medicinal Chemistry, Mining and Power Engineering, Modern Telecommunications, Organic and Polymer Chemistry, Production Management, Refrigeration and Cryogenics, Renewable Energy Systems, Renewable Sources of Energy, Spatial Planning, Physics of Information Processing, Embedded Robotics, Computer Security

Type of Degree:

BSc, MSc, PhD
